

Magistéo

M U L T I M E D I A L I B R A R Y

Art is a wanderer and a dreamer whose qualities open the heart. Imagination is queen and wisdom her courtier. Architecture is the alchemy of harmony engendered by mysterious drawings hidden in a silk case. With an astonished gaze like an open rose, the artist paints a red dot on the «i» of equilibrium.

Magisteeo

M U L T I M E D I A L I B R A R Y

Traditional and seductive, MAGISTEO is fashioned from that noble and charming material that is wood. Experience and technical knowledge make good the refined and flexible design. Its modernity shows through the details, lending it an air of delicacy and sophistication. MAGISTEO is an expression of the functional and the aesthetic.
