

Majeo®
MULTIMEDIA LIBRARY

Explaining the unexplainable. Combining thought and creation. Connecting imagination and enjoyment. Messages, histories, voyages, concertos, tongue-tipped words, lessons in magic, provoking thoughts, ornamental orations, noted compositions... all these marvels contribute to the alchemy of the Athenaeum.

Majeo[®]
MULTIMEDIA LIBRARY

Majeo®

M U L T I M E D I A L I B R A R Y

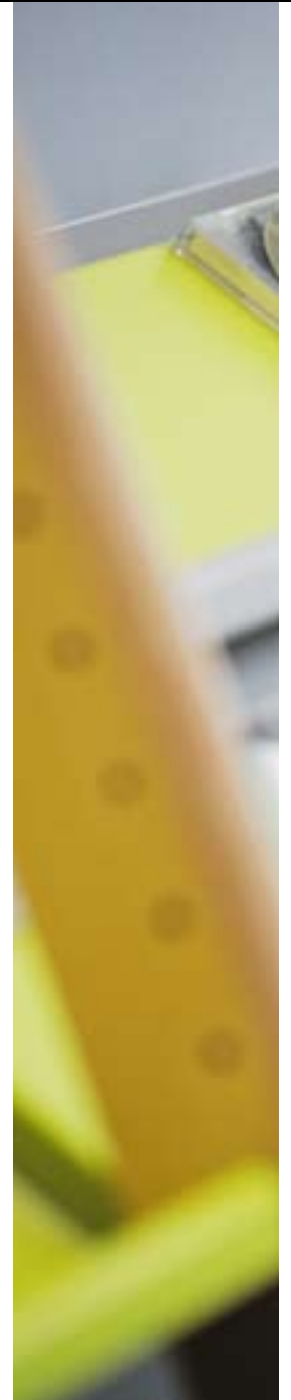

MAJEO is modular structures, natural wood and contemporary lines. Its refined and luminous construction materials are gentle on the eye and pleasant to touch. Demanding manufacturing standards ensure the elegance of the design permeates throughout the range. MAJEO harmonizes practicality and style. It offers the user the prospect of untroubled and long-lasting use.

Suggested presentation features single and double-sided bays, end panels of different heights, and flat and adjustable sloping shelves. The double-sided bays comprise single-sided units placed back to back.

Patent connecting system

Detail of front face

Adjustable feet $\varnothing$ 48 mm

Majeo® shelving

Beech frame (dimensions 60x28 mm) with holes every 32 mm for the easy positioning and adjustment of shelving accessories.

Narrow shelf bay (W 60 cm) fits across the end panels of a double-sided row of shelves or in cramped spaces.

Shallow shelving for use against a wall or against a standard shelving bay (D 33 cm).

Metal base on castors.
